COMPASS GAME

SOUTH

Here is a compass game that will lead you to many hours of fun. Thumbtack a paper clip to the N.E.S.W. spinner board. The first player then places a small button or marker on START and spins the paper clip. If the paper clip stops on E, the player moves his marker one circle to the EAST. If the clip stops on N, the player moves one circle to the NORTH...and so on with SOUTH and WEST. The next players take their turns, and the game continues until eventually all are forced from the board but one. He is declared the winner. Remember, no two people to a circle, so you must jump over all occupied spaces. Now get in there and spin.

A PLEDGE **DELL** COMIC TO PARENTS

The Dell Trademark is, and always has been, a positive guarantee that the comic magazine bearing it contains only clean and wholesome entertainment. The Dell code eliminates entirely, rather than regulates, objectionable material. That's why when your child buys a Dell Comic you can be sure it contains only good fun. "DELL COMICS ARE GOOD COMICS" is our only credo and constant goal.

SURPRISING DEVELOPMENT

Huckleberry Hound has a new hobby this summer—he is developing his own snapshots and those of his friends. When he turned on the light in his darkroom to look at the pictures, he was in for a surprise with this one. He remembered the pose, but he couldn't remember the place. Follow the dots to see where Huck was standing when this snapshot was taken. You'll be surprised, too!

MR. JINKS' CARD TRICK

HIS KIDS!
YOU CAN HAVE
A HEAP O' FUN
HELPING JINKSIE
WITH HIS
CARD
TRICK!

To see Mr. Jinks in full-color action, paste this page on cardboard and cut out the circular section on the left and the framed picture of Mr. Jinks above. Also cut out the little square between Jinksie's hands. Next, push a brad through Mr. Jinks's tie, then through the center of the circle and open it underneath. When it comes to a shuffle, Mr. Jinks is tops, so turn the circle now and watch Mr. Jinks perform. He really packs them in.
